Mr Lath Alston
Biltmore Hotel
Durham N.C.

Dear Sir:

I have just sent you a wire confirming the date of Easter Monday in Durham, The Newark Eagles to play the local team. The game to be played by The Eagles for 40% of the gross receipts, plus two meals for the entire team.

We would also like to come back to Durham to play some of our league games during the season. If the game Easter Monday draws well, and it looks like the fans would like to have us back, we could return twice in May, once with The New York Black Yankees, and once with The Phila. Stars. I have the Durham schedule, and know the park is available each of the dates I would want to return.

I am coming south this week. Leave here Tuesday morning March 17th. I will spend Tuesday night in Richmond. If it is possible for you to come to Richmond we could go over the entire program. I will be at Slaughters Hotel, or can be reached through Joe Miles at The Elks home on 2nd St. I will bring some publicity with me. If you do not come over, I will mail it to you to Durham.

Please send me confirmation of the game Easter Monday.

Very Truly Yours
